Wichita High School Southeast

Wichita, Kansas

FOREWORD

HOOFBEATS 1967 is a commemoration to Southeast's decade of growth. It is not only a look to the past, but also a prelude to the future.

Southeast began as a blonde brick and white granite building and has matured through the process and progress of education just as its students have.

The Southeast Journalism Department presents the 1967 HOOFBEATS in which you will find a respect for the past, the action of the present, and a glimpse to the future.

"And when at last we go, and final songs have ceased, a faint refrain will flow as memories praise Southeast."

First Decade Establishes Traditions of Southeast

After nearly three years of construction, Vollmer and Sons put the finishing touches on Wichita High School Southeast in January, 1958, four months after classes began in the fall.

Wichita Board of Education had Southeast designed after West High School by Architect Wendell Parks. The buildings are basically the same, but Southeast is larger.

Built on a 2,454,800 square foot plot next to Curtis Junior High, Southeast cost about $3,000,000 completed. This figure, however, does not include the green house added outside the botany room in 1959.

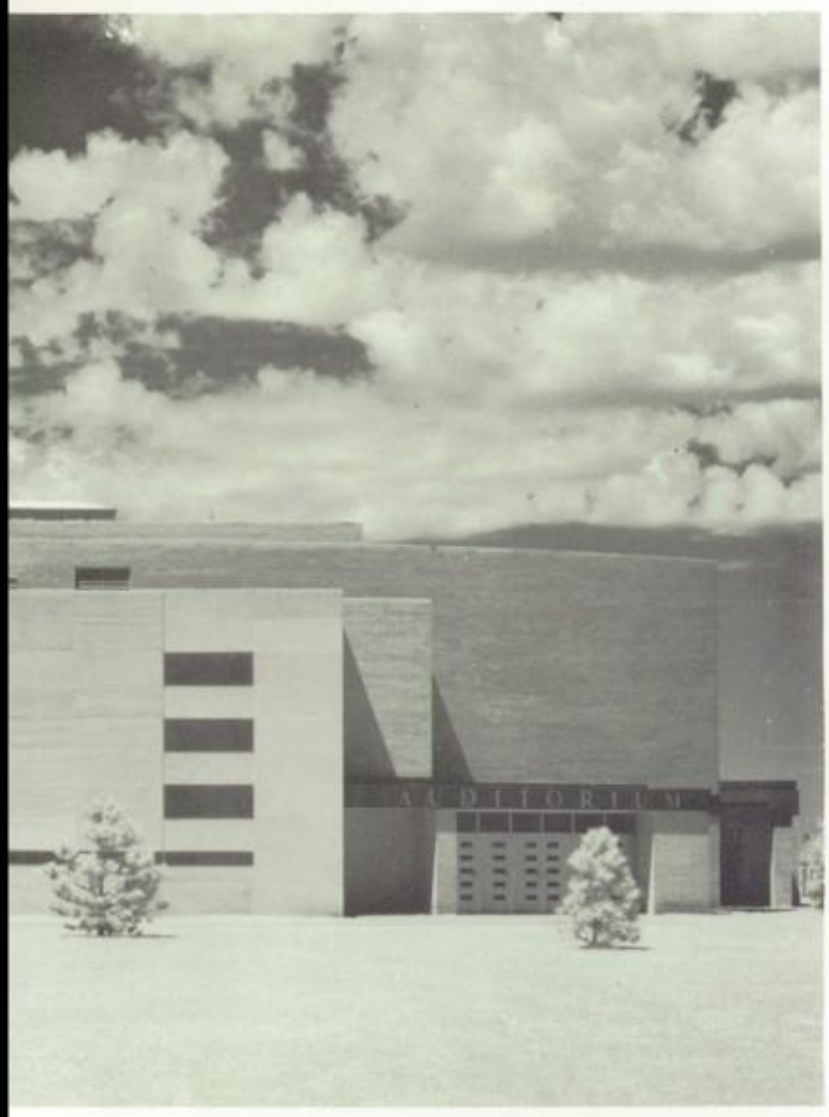
Doors opened to 1,574 students in the fall of 1957 and closed that spring with 237 graduating seniors representing the first graduating class of Southeast-the class of '58.

Most of the landscaping, handled by the Board of Education, was done at the time of building, with minor additions through the years. Two oak trees that now stand in the north yard of the school were given as a senior project. In the fall of 1965 picnic tables and benches were added in the courtyard.

In ten short years, Southeast has established significant traditions and high academic standards. This year Southeast boasts of having more National Merit Finalists than any other school in Wichita.

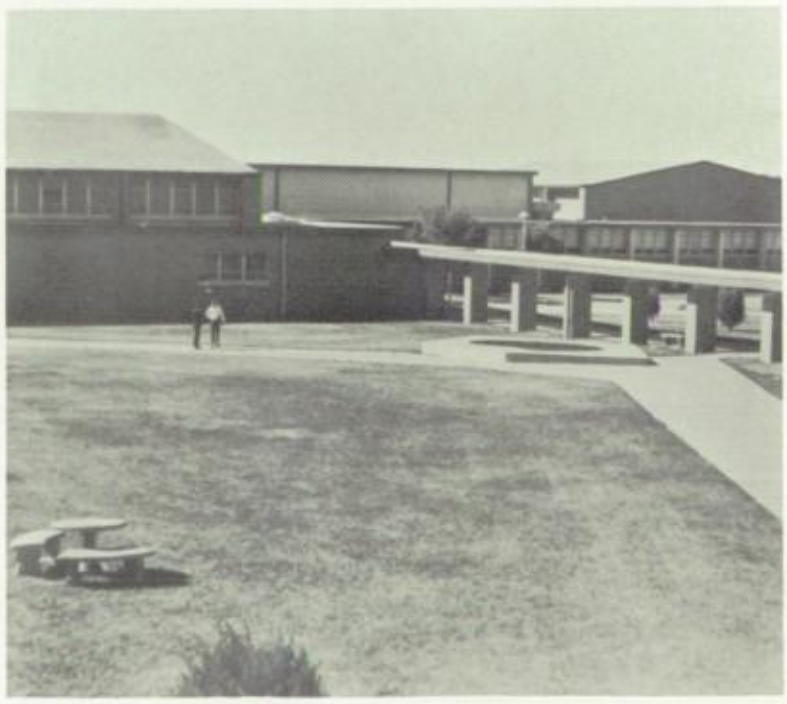
Due to the recent school bond approval, it looks as though Southeast will continue its rapid growth and accomplishments. Its future is bright to light the way for higher standards, meaningful traditions, and proud students on the move.

Constructing the building was a primary step in the overall completion of the school. The actual construction took approximately two and one-half years.



The ideas, the planning, and the labor of many can now be visualized through this final product.

Each ten years the schools in the Wichita Public School System receive a total rejuvenation. This includes painting each room, cleaning or replacing lockers, and refinishing classroom equipment.



Stages of construction exemplify the effect of planning from the beginning to the end.

ACADEMICS

Educational opportunities made available to the Southeast student have grown considerably during the past decade in the wider variety of courses offered, the high caliber of teachers employed, and the modern instructional devices used.

Academic growth is not only measured by material accomplishments, but also by the spirit of the student's quest for knowledge. Southeast students do not get an education, they take it, because they consider it a challenge, not merely a grade.

Dr. Addis Keeps Pace With The Growth Of Southeast

Pleased about the passage of the school bond issue, Dr. Addis discusses future plans for Southeast with a member of the school board.

Keeping Southeast functioning smoothly and enforcing the policies of the Wichita Board of Education are two full time responsibilities for Dr. Fred G. Addis, principal.

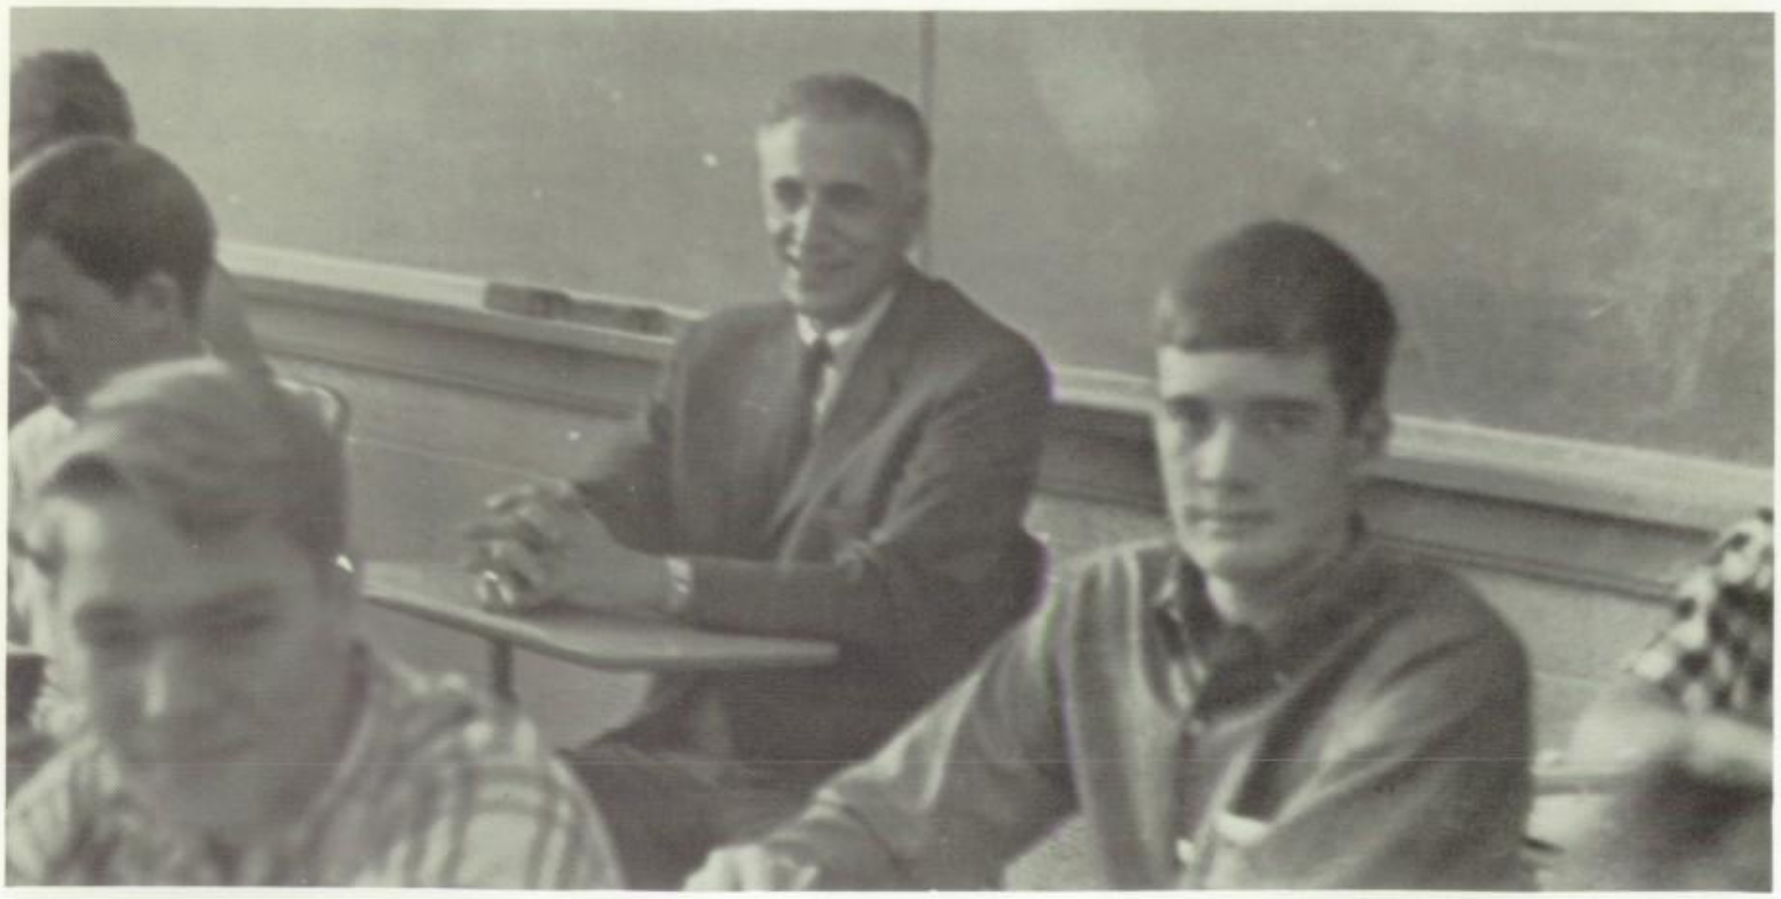
Not only does he fulfill his duties at Southeast, but he also finds time to help in community affairs such as being an active member in the Family Consultation Service.

Dr. Addis had his B.A. and M.A. degrees when he first came to Southeast in 1957 and later earned his doctorate degree in 1959.

During his ten years here Dr. Addis has not only been conscientious about Southeast as a whole, but has also strived to produce the best educational opportunities for each student. He achieved this by attending numerous meetings and being constantly aware of what was going on no matter how minor.

Dr. Addis has set an example for all of us by facing his mounting problems and pressures head on with a smile.

Evaluating a teacher's classroom procedure is Dr. Fred Addis. Dr. Addis must occasionally observe all new teachers and send a report on each one to the School Board.



A Message From Dr. Addis

An increase from 237 students in the first graduating class of 1958 to an anticipated 727 in 1967 reveals the tremendous growth during the past decade at Southeast High School.

But neither numbers nor buildings without other necessary ingredients make a school great. Southeast's success is due to a responsible Board of Education, a well-trained and conscientious faculty, students with seriousness of purpose, and a curriculum which meets the needs of each student.

Experimentation with new courses, team teaching, and special groupings of students, which provide for the academically-talented as well as the slow learner, have all highlighted the past ten years.

Cordially,

Fred G. Addis, Principal

Combined Effort Of Administrative Team And Dedicated

Coordinating school activities is a major responsibility of Assistant principal John Gasper

Mr. O. J. Budd, vice-principal, was a counselor and assistant principal at East High School before coming to Southeast in 1957. Also known as the office manager, he supervises new teachers' activities and organizes the office staff.

In the past much of Mr. Budd's time was spent in scheduling students' classes, but with the use of the IBM schedule cards he can turn his attention to more important office matters and schedule conflicts. Mr. Budd feels that the IBM machines offer great advantages to the office personnel, besides saving them a great amount of time. Schedule changes do take longer to process using the machines, but there are fewer of them occurring. The confusion during the first days of school was reduced because the machines eliminated class cards that students filled out and most of the schedule changes that kept the guidance center full.

Assistant principal Mr. John Gasper returned to Southeast from the University of Wyoming after year's leave of absence where he earned the necessary hours for his doctorate degree. He is presently fulfilling the last requirements toward his degree.

Before coming to Southeast in 1959 he was a coach and principal at Arkansas Avenue School.

Mr. Gasper works closely with the students in their club activities, elections, scheduling extra-curricular activities, and disciplinary problems. He has been kept especially busy since the activity tickets were introduced in 1964.

Every morning he informs the students of the news of the day and activities to come as he reads the morning bulletin.

Office Staff Contributes To Ultimate Success Of Year

Maintaining order in the office, the heart of Southeast, is the duty of eight office staff members.

Four secretaries are kept busy taking calls and making appointments for the administrators, processing eligibility slips and helping students.

To eliminate noise and confusion, the attendance office was moved away from the main office. The attendance clerk keeps track of tardies, absences, and students leaving school during the day for appointments.

Keeping the books and paying the bills for clubs and organizations is the duty of the treasurer.

The registrar keeps detailed records of enrollment and grades of each student.

Emergency procedure for illness and injuries of students is taken care of by the nurse.

Sorting student IBM cards for scheduling, approving student transfers, managing the office staff, and helping new teachers occupy much of the time of Mr. O. J. Budd, vice-principal.

Recommending And Shelving Books Keeps Librarians Busy Throughout The Day

Assistant Librarian

Southeast's library opened in September, 1957, with approximately 5,000 books on the shelves. Five large bulletin boards on the north wall—four of which were later replaced by shelving—helped decorate the large reading room. But through the years this room became increasingly inadequate and shelving had to be added in the place of tables.

Today the library possesses 33,900 books and has added recordings, tapes, and paperback books. In addition to the large reading room, there is a reference area, classroom, magazine area, workroom, and office.

Plans are now in process for building a new library in the courtyard to serve as an Instructional Materials Center. It will include such items as individual study carrels, film and overhead projectors, and microfilm readers.

Hardly a week goes by that each student does not pass through the doors of the library. Whether for debates, reports, or pleasure, this room is one of the most frequently visited.

Counselors Offer Guidance With Responsive Concern

Understanding and patient best describe Southeast's counselors in their everyday dealings with academic and personal problems. They are a source of information for all students interested in finding out more about high school and college education, and vocational training programs. The counselors are also responsible for administering and interpreting annual college and aptitude tests.

Because of the ever growing enrollment, the counseling department has doubled in size and importance in the last decade. In 1964 it was separated from the main office and given its own guidance center. Being able to work more independently, the center can better serve the individual student.

Mr. Corwin E. Bare has been the head counselor in the department for ten years.

Arranging final plans for college night are Mr. Corwin Bare and Miss Fanny Thompson.

Mr. Richard Elving, sophomore counselor, introduces his students into the Southeast curriculum.

Writing character recommendations for seniors is Mrs. June Turner, senior counselor.

Increasing reading speed is one of the objectives of the Language Arts curriculum. Mr. Marvin Huffman uses the popular reading machine for one of his senior college reading classes.

Within ten years the Language Arts Department has taken on many new dimensions. It has grown to better serve the students by offering a debate team, National Forensic League, a literary magazine titled **Kaleidoscope,** Honors English section, and advanced placement classes to challenge the more advanced student.

Adding these to the original classes of English, journalism, speech, and foreign languages, which were separated this this department has become the largest at Southeast. It has nearly doubled its size from 49 sections in 1957 to 93 sections this year. There are now 23 teachers opposed to 14 in the first year, five of which are new this year. They are Mrs. Pauline Brown, Miss Sue Marshall, Mr. Ron Curfman, Mrs. Sharon Thompson, and Mrs. Jerrie Nesbit.

Special education classes have been included in the curriculum this fall to give the slower learner the best opportunities to receive an education.

Another new addition to the department is a reading laboratory in Mr. Richard Yeargan's room.

Mrs. Helen Christie has remained the head of the department for ten years. Teachers that have also remained in the Language Arts Department for ten years are Mrs. Mae Keller, Mrs. June Nyquist, Mr. Garland Stricklin, and Mr. Lee Streiff.

Modern Curriculum Enriches Language Program

Practicing her recorder before an ensemble performance is Mrs. Erica Barron, French teacher.

The Foreign Language Department, separated from the Language Arts Department this year, has doubled its classes and faculty members in the past decade.

German has been added to the curriculum of Latin, French, and Spanish classes. Levels of languages, once limited to two or three, have expanded to make four levels available. Not only have more courses been made available, but now there are more classrooms and more students per class. All Spanish classes are in the Curtis building where a language laboratory is used.

All languages have accented on the modern approach to teaching. This has led to the audiolingual method of teaching which called for the installation of the language laboratory in 1960.

The countries' cultures as well as their languages are brought into the classroom by films, slides, and the teachers' personal knowledge. Teachers keep their knowledge timely by making frequent trips to Europe with the Foreign Language League.

Art, Music, And Drama Develop Students Creativity

Remembering "A" for Art led many students to A-hall and the fine arts department which includes courses in art, drama, and music.

Introduction to art, ceramics, sculpture, commercial art, drawing and painting, special art, drama, speech, various music classes, and humanities help develop skills in the arts and a pride in American culture.

Periodical music programs, plays and art exhibits brought recognition to the efforts and acheivements of students as well as enabling them to perform in front of an audience. They also served as entertainment for students and parents and built Southeast's reputation as having one of the best art departments in the city.

Humanities, added to the fine arts curriculum in 1965, could actually be a department in itself, as it deals with history, literature, and the arts as man combined them during his development. The course is taught by a team of teachers who specialize in each of these areas.

Science Classes Use Modern Laboratory Equipment

Science department offers students a wide variety of courses to challenge his skills and scientific curiosity. These courses are astronomy, biology, botany, chemistry, geology, physics, and physiology. Next year a semester course of aeronatuics will be added.

The main change that has taken place in the science department through the years has been the increasing up-to-date equipment installed. New equipment added to specific courses includes more powerful microscopes for biology classes, mercury vapor vacuum pumps in chemistry rooms, additional impscopes for physiology classes, and overhead projectors with visual teaching aids used by the entire department. In 1960 a greenhouse was built onto the botany room for the growth and study of plants. E-4 and E-5 were converted from regular classrooms into science rooms, one equipped with laboratory equipment and the other used as a lecture hall. Two new teachers have been added to the department to make a total of seven this year.

These and other facilities have kept science laboratories and courses up-to-date and interesting to students. As a result, E-hall has continued to eject the ever familiar aroma of chemicals and disections, and the sighs that express the success or failure of an experiment.

Math Enthusiasts Study Sines, Equations, Proofs

Turning more and more to the trend of modern math, the mathematics department has continually renewed and revised its text books and method of teaching. Since the department first began teaching the modern math in 1958, algebra and geometry text books have been revised two and three times respectively. The ever changing teaching methods that accompany the modern math have sent teachers back to school. They keep up with the latest teaching techniques both by extra training and by "picking it up" as they teach.

Not only text books, but various geometric visual aids, overhead projectors, charts, model slide rulers, and of course, the blackboard aided in teaching and stimulating interest in all math courses.

At one time or another through their high school years, students found themselves in a math class. Aimed at all high school age students of different intellectual levels, the mathematics department includes such courses as Algebra I and II, analytic geometry, basic mathematics, business arithmetic, geometry, principals of mathematics, and trigonometry. The only course added to the department since the school's beginning is principels of mathematics.

Students Acquire Fundamentals For Jobs In Business

Teaching business skills for a vocational education is the main objective of the business department.

Typewriters and adding machines, shorthand dictations, stock market quotations, and sales pitches all help to produce the business-like atmosphere of B-hall.

Besides the bookstore, classes such as typing, shorthand, business law, clerical procedures, notehand, salesmanship, secretarial training, business arithmetic, accounting, basic business, bookkeeping, and business communications are found in the business department.

The only changes in the department class wise were the dropping of penmanship last year and the addition of notehand two years ago. Business communications will be extended from a semester course to a yearly course next year.

The department received a new electric ditto machine this year and an overhead projector last year.

Taking a shorthand dictation from a tape recorder are seniors Ann Axtel and Kathy Rhea.

Homecoming

Observing the behavior of a rat in psychology class is Southeast senior Joyce Aubert.

Human nature and the results of it have always fascinated man. Southeast students are no exception as many enrolled in social studies classes to better understand themselves and mankind as a whole. The social studies department started with six teachers in 1957 and has grown to twelve this year with four of the original ones still teaching.

Team teaching began at Southeast in 1960 and has become increasingly effective through the years. It started with individual classes meeting together two or three days a week. Government, history, psychology, and humanities began using the team teaching method in 1965. This method of teaching not only enables a maximum enrollment in a class, but also prepares students for similiar class conditions in college.

Social study courses include economic education; government, required for seniors; international relations, an honors government class; modern European history; psychology; sociology; American history, required for juniors; world geography; and world history.

Class discussion and the exchange of personal opinions on issues are main factors in the learning process in social studies classes.

Future Homemakers Learn Sewing, Cooking Skills

Preparing students for a successful future and homelife is the goal of the home economics department located in F-hall. Classes such as child care, home and family living, house and home furnishings, foods, and clothing are included in the department's curriculum.

Clothing classes of varying levels teach students sewing skills and, as a result, increase their wardrobes. Students are also instructed in the care of related appliances such as the sewing machine and iron.

Foods students are taught the preparation of a variety of dishes and are able to judge their own foods by sampling the finished product. Highlighting this year was the making of Christmas candy and cookies.

Personal experience is the main learning process employed in the department.

Putting the finishing touches on several loaves of bread made in cooking class are Glenda Kolter, senior, Janet Breaker, junior, and Sandra Sanders, senior.

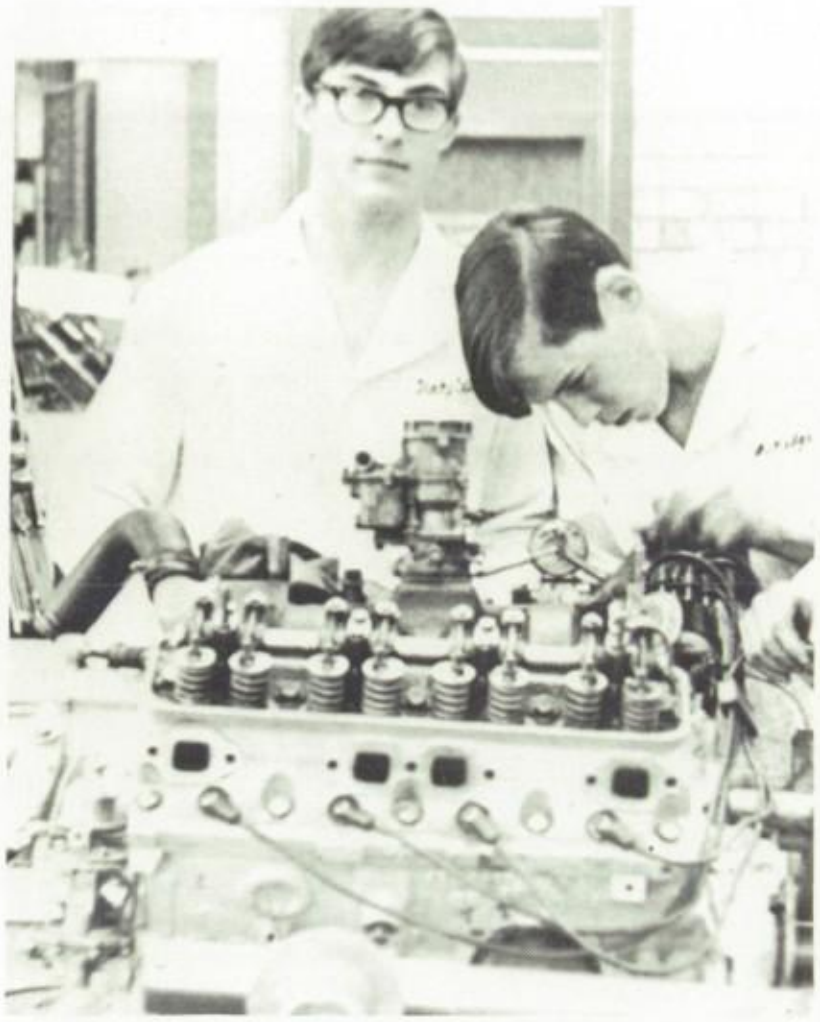
Sounds Of Construction Echo Through "H" Hall



Rebuilding and studying the parts of an engine in auto mechanics, are seniors Bill Hatfield and Rick Rutledge.

Practical skills and knowledge for a vocational future are offered to both boys and girls in the industrial arts department including such classes as auto information, auto mechanics, driver education, electricity, general metals, mechanical drawing, plastics, pre-engineering industrial arts, and woodworking. From these classes echoed the sounds of construction through H-hall. These sounds ranged from the pounding of metals to the scratching of pencils in mechanical drawing classes.

Being able to work directly with cars and materials related to the course gives a purpose and sparked interest in classes. Auto mechanics has old cars to overhaul while driver education students practice driving 1967 cars. Designing actual buildings is a part of the drawing classes. Other vocational classes work with woods, metals, and plastics.

Study, probably for the first time at Southeast, has been the main purpose of study hall, for this year a campaign was launched to stop sleeping during the study hall period.

Girls' And Boys' Sports Stress Physical Fitness

In their gym classes girls learn many tumbling stunts. These six girls are demonstrating one of these tumbling formations.

Physical education classes provide an opportunity for students to develop physical skills, learn popular sports, and relieve the tension of a normal school day. Although gym is only required of sophomores, many juniors and seniors have continued to take advantage of the instruction and facilities offered in both the boys' and girls' department.

Both boys and girls enjoy such sports as swimming, soccer, archery, tennis, golf, basketball, volleyball, softball, ping pong, drill marching, and gymnastics. Girls participate in additional activities such as field hockey, modern dance, badmitton, shuffel board, deck tennis, fencing, and bowling, while boys participate in touch football, calisthenics, and wrestling.

Both boys' and girls' swimming classes offer Junior and Senior Red Cross Life Saving tests to qualified swimmers.

After school girls' intramurals include all sports offered if enough girls are interested to form teams. This year the intramurals have been expanded to intermurals including such sports as field hockey, bowling, basketball, and volleyball. The intermurals were formed this year to replace the Play Days between schools that were started several years ago.

Gymnastic workshops were also started this year to teach students and teachers about gymnastics and the judging of performances.

Cafeteria And Custodial Staffs Perform Endless Tasks

Working to keep Southeast and its grounds clean and attractive is the custodian staff, headed by Mr. Charles Knight. Not only did the custodians work during and after school, but they also put in long hours at the closing of school in the spring and opening in the fall, and at special school events such as at games in the gyms and dances.

Preparing lunch for over 2,400 students, serving it, and cleaning up the kitchens afterwards, keep the cafeteria staff busy from 7:00 a.m. until mid afternoon. Additional work of the staff included serving dinner to parents at open house, serving breakfast to swimmers after their morning work outs during swim season, and preparing pep club dinners.

Win Class AA State Title

"Resolved: that the military assistance program of the United States should be limited to non-military assistance" was this year's debate topic which took Southeast debators to 31 meets during the first semester debate season.

At the 31 meets, debators won five first place; seven second place; one third place; and four fourth place trophies, which made a total of 17 trophies. This is more than any other school in the state has received. Southeast was also the first school to win the Elks club's traveling first place trophy, which was won by junior Bob Liton and senior John Bowman. A school must win this trophy three times before they can keep it.

Winning first place at the District meet at Southwestern College in Winfield, Kans. were Jan Hornberger, junior and Gordon Hodge, senior on the affirmative; and John Bowman, senior and Gretchen Miller, junior, on the negative.

This team represented Southeast at the final Kansas State Debate Tournament at Wichita State University. Winning this meet enabled Southeast to finish the season in first place.

Second semester was the forensic season which included five catagories. These were extemporanious speaking, whose topic was Foreign Affairs, oratory, informative, prose reading, and poetry reading.

Shuffling through the multitude of reference cards which they have gathered for debates are John Bowman, senior, and Gretchen Miller, junior.

Orchestra, Band Perform For Concerts And Games

Southeast's marching band did exactly that-marched, at all the home football games during half-time and in the Wichita Christmas parade. It consists of 113 members who perform under the direction of Mr. Thayne Tolle.

From the marching band, 90 members were chosen to form the symphonic band, which presented three formal concerts, four junior high concerts, and performed in the State Music Festival.

Another group of band students formed the 3rd hour band. Both were directed by Mr. Tolle.

Participating in four concerts and accompanying the major stage productions were the main activities of the orchestra. Outside Southeast the orchestra presented five concerts at junior highs, participated in the State Music Festival, and went to Colorado Springs, Colorado for the National Music Educators conference. Mr. Tolle directed the 70 piece orchestra.

Ten instrumental ensembles were formed this year to participate in the State Music Festival and the City Ensemble Festival. Members were appointed by Mr. Tolle from the band and orchestra.

Pep And Stage Bands Generate Spirit, Master Jazz

Providing pep at home basketball games and pep assemblies was the 30 member pep band led by Mr. Thayne Tolle. The band also played at the Beech Air Craft sales promotion show. Members of orchestra and band signed up for the pep band and were selected by audition by Mr. Tolle. All pep band members are also in the marching band and played at football games.

The stage band, in its second year, is a special organization formed to study and become acquainted with the different styles of jazz. It is extra-curricular and practices before and after school three days a week. Stage band performed in the "Pazazz and Jazz" concert, school programs, and for programs outside of school. Members were auditioned from band and orchestra by Mr. Tolle, who directs the stage band.

Soph. Choir Participates In Fall, Spring Concerts

Sophomore choir is composed of 96 selected, mixed voices directed by Mr. Vernon Nicholson. The group has sung in assemblies and programs at school, but it mainly serves as training for the advanced groups sophomores will be elegible for next year, such as the Madrigals and various ensembles.

The sophomore girls' ensemble, organized this year by Mr. Nicholson, is extra-curricular and met before school two days a week. The 15 voice group was selected from the sophomore choir, and participated in contests for ratings, including the State Music Festival. Another reason for the formation of a sophomore ensemble was the experience it gave sophomores for later ensemble singing.

Civic Groups, Music Conventions, And Assemblies

Mr. Vernon Nicholson directs Southeast's three main vocal groups, Choraleers, Madrigals, and Junior Misses.

Gold and white robes identify the 90 select mixed voices of the Choraleers. They performed in the Southwest Division of the National Music Educators conference in Colorado Springs, Colorado. The group also sang at programs for civic groups, in assemblies, at junior highs, and conventions.

Madrigals is a 20 member group of junior and senior mixed voices. They sang at assemblies and by invitation at civic clubs, churches, and music conventions, performing 21 times in December alone. Madrigals have received highly superior ratings for the last three years at the State Music Festival.

Junior Misses is a select group of 23 junior and senior voices. They sang for junior highs, contests and civic groups in addition to school programs.

New Ensemble Replaces Boys' Quartet This Year

Girls Glee club was directed by Mrs. Sandra Miller first semester and Miss Trudy King second semester who acted as a student teacher under Mrs. Miller. The group was composed of sophomore, junior, and senior girls. They sang in three programs, the fall concert, the Christmas program, and the spring concert.

Mr. Vernon Nicholson led the Boys Ensemble in singing at assemblies, social functions outside of Southeast, and civic clubs, The 20 voice ensemble of junior and senior boys was formed this year.

Another newly formed ensemble directed by Mr. Nicholson, was the Sophomore Mixed Ensemble. The group was extra-curricular and met three days a week before school.

Modernaires, directed by Mrs. Miller and Miss King is a junior-senior mixed choir. They participated in the fall and spring concerts and the Christmas program, as well as singing Christmas carols on television and at Innes during the Christmas season.

Achievement Awards from the National Council of Teachers of English were won by seniors Janet Showalter and Leigh Clark for their outstanding performance in national writing competition.

National Award Winners Bring Honor To School

For the past three years, Southeast has led the city in National Merit finalists. This year Southeast has six finalists with 15 students receiving Letters of Commendation. Every Southeast student that has qualified as a semi-finalist has gone on to become a finalist judged by his performance on college entrance boards, biographical data, and teachers' recommendations. Because the cutting score was raised two points from 135 to 137, fewer students qualified as finalists than in past years. National Merit tests were given to about 150 juniors last year. This year 225 juniors took the test.

Two seniors were named winners in the National Council of Teachers of English contest. Requirments for the contest are an autobiography impromptu paper, and a prepared paper on which the applicants were judged.

Winners were recommended for college scholarships by the Council, and their names were sent to all major colleges throughout the country. The Council is hoping to raise enough funds to be able to offer their own scholarships to winners. Southeast has had winners in this contest for the past six years.

Nine Attend Boys' State During Summer of 1966

Nine boys represented Southeast in the 30th session of the American Legion Sunflower Boys' State at Kansas University at Lawrence, Kansas. Qualifications to attend boys' state are a "B" average, participation in extra-curricular activities, teachers' recommendations, and good personality ratings.

The purpose of boys' state is to teach the boys, by actual participation, the operation of democratic government on the city, county, and state levels. Local civic organizations, churches, or individuals sponsored each boy to the week long session last June.

Southeast was not represented at Girls' State this year because Wichita was only allowed five delegates, and Southeast participated last year.

Pam Achenbach, senior, won the Betty Crocker Homemaker of the Year Award at Southeast by receiving the highest score on a test given December 6. This enabled her to compete on the state and national levels for the scholarship. The test was given only to senior girls.

EDITORS OF THE Stampede, Southeast's student newspaper: **Left to right:** Brent Branham, second semester, fifth hour; Kay Miller, first semester, fifth hour; Chris Poelma, fourth hour, first semester; and Bev Gerhardt, second semester, fourth hour.

Two journalism classes, 4th and 5th hours, combine efforts to produce the **Hoofbeats**, often working late into the night and weekends to meet deadlines. At the same time, each class works for its own hour's newspaper in order to publish a weekly **Stampede,** which bring Southeast news and editorial opinion to the students and faculty.

Besides the regular routine of covering beats, writing stories, selling advertisement, laying out pages, and checking page proofs, the newspaper staffs also went on field trips to Parker and Sons Printing Co., who prints the newspaper and to the Eagle-Beacon building. Both classes also sponsored a pep assembly and Ugly Man on Campus contest. Each class has its own newspaper staff and editors which are renewed second semester.

Work on the **Hoofbeats** began early in the fall by taking formal and candid pictures to represent all phases of Southeast life. It continued with page layouts and copy writing through February until the last deadline was met. The staff, headed by Miss Sue Marshall, accented the decade theme in the **Hoofbeats** because of the tenth anniversary of Southeast.

MEMBERS OF THE fourth hour journalism class: **Front Row:** Fran Hewes, Nancy Howell, Chrissie Linthicum, Helen Sutherland, Chris Poelma, Kathy Hodge, Bev Gerhardt and Sally Steele. **Second Row:** Jana Perkins, Sue Clark, Joyce Aubert, Linda Colvin, Ellen Bartlett, and Brent Branham. **Top Row:** Jim LaForge, Donnie Lawrence, and Joe Coulter.

STUDENT LIFE

Student Life connects the present with the past by way of tradition and extends into the future by the spirited ideas of a proud student body. Students today are upholding traditions handed down to them through the past decade and have contributed new ideas this year that will form the traditions of the future to be upheld by the decades of students to come.

Student Life is apparent not only in traditions, but also in the daily school routine. It is seen not only at special school events, but everyday on the smiling and eager faces of the student body.

And Repeated During Year

Southeast's student life portrays a variety of lives because of the variety of students that make up the student body. It represents the lives of the scholar, socialite, and athlete, or any combination of these.

Sophomores first got into the swing of Southeast living with sophomore officer and cheerleader elections. As the year progressed so did the school and extra-curricular activities. Victory dances after games were common, in addition to the OSOM, homecoming, and Sweetheart dances, and the proms. Plays, assemblies, concerts, and movies, were all presented in Southeast's auditorium to satisfy the interests of every student.

This was a year of great change in student life with the increase of freedom in one area and restriction in another. Class assemblies were taken away from the students and given to the teachers to plan in the way of fall and spring assemblies. Seniors no longer could decorate lockers, and students were restricted from seeing all pep assemblies because of capacity problems.

But, on the other hand, students were also allowed more freedom in some areas. For the first time, floats and a parade were a part of the Homecoming ceremony; students were allowed to wear ties or boots to "Tie down the Aces" or "Boot the Pioneers" to raise school spirit.

This past school year should be looked back on as a year in the life of a growing school. One that has seen old traditions broken, others strongly upheld, and still others just started.

Showing his school spirit, Mr. James Mader "sneaks" up on the Redskins.

ORGANIZATIONS

Organizations are a supplementary part of Southeast added by the demands and enthusiasm of a student body who believes extracurricular activities to be a necessary and important addition to the curriculum for a well-rounded education.

Through the decade, clubs and organizations have been added as soon as the interest in them became apparent. Today a variety of organizations exist to satisfy the variety of interests and needs of the student body.

Thespians is a national honorary organization sponsored by Miss Ruth McCormick. Membership began at 14 and grew through the year as drama students earned the necessary points by working backstage, serving on a committee, or acting in a major stage production. Activities such as an annual banquet, coke sales at plays and musicals, participation in talent assemblies, and two membership initiations have been scheduled each year since 1958 when Southeast was issued its Thespian Charter.

To interest students in teaching as a profession is the purpose of the Future Teachers of America Club, sponsored by Mr. Marvin Huffman. The club has been affiliated with the national Future Teachers of America since its first year at Southeast in 1957. The club of 22 members meets twice a month. Activities this year consisted of sponsoring a membership drive in the fall, attending the FTA-SNEA workshop sponsored by the Wichita Future Teachers Council, candy sales, sponsoring concession stands at the Southeast-Carroll basketball game, and a Christmas party. The club meetings were highlighted by a panel discussion by new teachers on the advantages and disadvantages of the teaching profession. Spanish club, organized in 1962 by third and fourth year Spanish students met once a month. Each year Spanish club has sent Christmas baskets to the needy and has had a fiesta for all Spanish students. In addition to these annual events, the club had a banquet for which freshmen Spanish students from junior highs were invited, and sponsored an after school candy sale. Regular meetings included films of Spain and a speaker from South America. Mrs. Helen Hiebert sponsored the club of 56 members.

French club, largest of the foreign language clubs, had 71 members and was sponsored by Mrs. Helen Hageman. The club, whose purpose was to learn the culture of the French people and make practical use of the French language learned in class, met monthly. French club events this year were a Christmas fete, a banquet in the spring, and a club party at the end of the year. During the meetings several films were shown about France. Each year since the club was started in 1957, members have had an annual banquet, sponsored a booth in the All-School Project, which has been awarded the "Best Decorated Booth" over the past few years, and sang Christmas carols in the morning by the school Christmas tree.

Students Study Customs, Learn About Foreign Life

Through bi-monthly German club meetings, students became acquainted with the aspects of German life and customs. Started in 1960, the club has grown from 20 members to over 60 this year. Main events through the years have been sponsoring school dances, candy sales, participating in the All-School Project, and a city-wide German club picnic. Each year German club, along with all other language clubs, has taken part in the International Christmas Party, organized in 1964 as a Christmas celebration between all language clubs. This year, however, the party was discontinued because of complications. In its place, German club had a progressive Christmas dinner for its club members. A field trip, films, speakers, and a banquet supplemented the regular meetings.

Formed in 1962, Latin club is a member of the Junior Classical League, an international organization. The national president of the league was from Southeast in 1964 and the city-wide president has been from Southeast twice, including this year who was Stuart Wier. Each year Latin club has taken a big part in Saturnalia, a city-wide Christmas party, observed National Latin Week in April, and had speakers and films at their regular Monday meetings. Three members of Latin club represented Southeast at the National Junior Classical League convention in Kentucky last summer. Mrs. Mary Chambers sponsored the club.

Waiting for the next course of the progressive dinner are seniors Tom Klag, Greg Stuckey, Dale Cobb, and Ray Fisher. The dinner was part of the German club's Christmas celebration.

Practicing their songs in Latin for the Saturnalia are five Latin club members. Stuart Wier and Larry Veach, seniors, listen as Sidni Pottorff, junior, Mary Meserve and Darla Giggy, seniors sing modern folk songs. Each year a city-wide party is given to celebrate the Latin holiday.

Honor Societies Increase; Club Encourages Projects

Early in the year eight journalism students were initiated into Quill and Scroll, an international honorary society for high school journalists. New members were later added to the society who had gained recognition for their work during the year. Members of Quill and Scroll must be in the upper third of their class and have done outstanding work in some phase of journalism. Southeast first became a charter member of Quill and Scroll in 1964. Miss Sue Marshall sponsored the society.

Science and Math club, organized for those with scientific minds and an interest in mathematics, made special efforts to encourage individual student science projects. The club, started in the first year of Southeast, was sponsored by Mrs. Ruth Smith. Activities the club has been active in each year were visits to the Kansas Junior Academy of Science, All-School Project, and the Science Fair. Highlights of this year's meetings were special speakers and field trips.

Each year, since the National Forensic League was formed at Southeast in 1960, it has participated in both the NFL State Debate Tournament and NFL State Model Congress. In addition to these events, NFL had a Christmas dinner, candy sale, car wash, spring party, and attended about 40 debates and forensic duels. New this year was the permission of the first place winner of the NFL State Debate Tournament to participate in the NFL National Debate Tournament. NFL was sponsored by Mr. Bill Robinson.

Y-Teens, in its tenth year at Southeast, has participated in the Toys for Tots drive and Operation Holiday. They collected clothes and toys and did volunteer work in the two organizations which enables needy families to have a happier Christmas. The club also worked on service projects for children's homes and retirement homes. This year's meetings included special speakers, parties given at children's homes and a Christmas party at which place mats were made for hospitals. Sponsored by Miss Ruth Krause, the club of fourteen members is opened to all girls and was organized for Christian fellowship.

Approximately twenty students interested in medical careers make up the membership of the Medical Careers club, sponsored by Mrs. Margaret Walters, school nurse. The club began in 1957 during the first year of Southeast and met twice a month after school. At these meetings several films were shown on various careers in medicine. Each year, the club's main activities are the All-School Project and a field trip to a university medical center. The Medical Auxilary sponsored the field trip which was city-wide. The club also went on a minor field trip to the Kirk Dental Laboratory in Wichita last fall.

Designing placemats to give hospitals for Christmas are Kathy Gerber, sophomore, Susan Hays, junior, and Janice Wood, senior. The mats were given to the hospitals for patient's meals.

Y-Teens In Tenth Year

Operation Holiday was one of the many projects Y-Teens volunteered for during the Christmas season. Seniors Linda Staggs and Kay Wallace worked repairing toys and clothes for needy families.

Southeast's mascot, the buffalo, was sold by Medical Careers club in order to raise money. Selling a buffalo to Rosi Proffitt is Darla Giggy, both seniors.

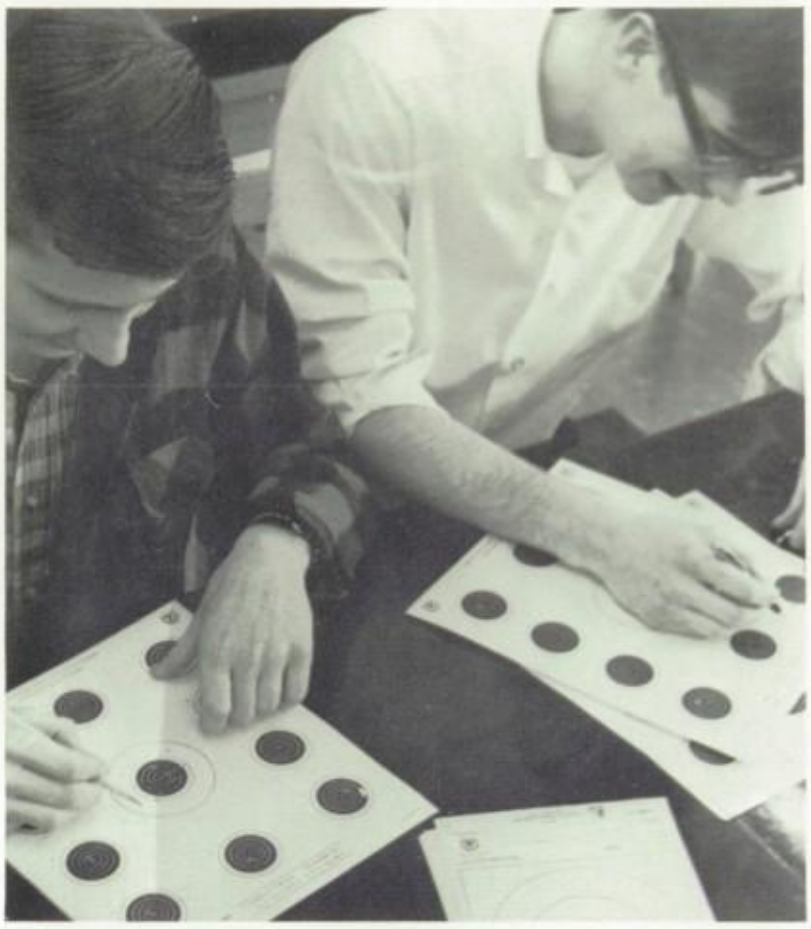
Safety Club Views Driving In Southeast Parking Lot



Scoring targets after shooting are George DeVore, junior, and Bill Denlinger, senior. Rifle club met once a week to practice shooting at the South Armory.

Mr. Glenn Clark, sponsor of the Rifle club, strives to teach the 24 members the safe use of firearms. Textbooks, films and tests are preliminaries to the actual shooting range practice. Each year, since the club was formed in 1959, it has been active in inter-school and intra-school matches, a tournament at Wichita State University, and the All-School Project.

Lettermen's club started in 1958 with 47 lettermen, met every Friday morning. The club is open to all boys who have lettered in any Southeast sport. Activities consisted of taking care of the victory bell at games, publishing game programs, fund raising sales such as selling Buff Booster pins, furthering athletics, boosting school spirit. The club was sponsored by Mr. John Zumult.

Safety club, sponsored by Mr. William Draut, promotes safety in and around Southeast through various projects. A few of these are working with student council to ease traffic congestion in the parking lot, reporting any hazardous driving to the safety committee, and sending letters to parents notifying them of it. The club's main activity was attending the Kansas Teenage Traffic Safety convention in the spring.

Students Give Up Study Halls For Proctor Positions

Assisting Mrs. Margaret Walters, the school nurse, were six nurse proctors who worked in the health room. They received students' admit slips, took temperatures, filled out student health reports, ran errands, collected for the nurse.

Relieving the load of the office secretaries were the office proctors who ran errands, collected absence slips, called students from class, and filled out attendance cards. The attendance office, separated from the main office this year, also used office proctors.

Courtesy proctors, stationed at school entrances, helped and welcomed visitors to the school by offering information and answering questions. Mr. Garland Strickland was the chairman of the committee assisted by a different teacher each hour.

Sea Sprites, Les Paps, Participate In Programs

Modern Dance club, "Les Papillions", was organized in 1961 by girls with an interest in modern dance. Mrs. Ruby Schrader sponsored the 35 members who met every Monday after school. These members are chosen by Mrs. Schrader through auditions. Included in the activities of the year were a banquet, money raising drives, a party in the spring which is given every year to welcome new members, a field trip to Kansas University for a dance workshop, special speakers and films, and dancing in the two talent assemblies. Main events in which the club has participated in the past are dancing in a Christmas program and the All-School Project.

Letterwomen, girls who have earned 550 points by participating in after school sports, form the Letterwomen's club, sponsored by Miss Wilma Lee. Each year, since the club was started in 1960, girls have had a Mother and Daughter Fun Night, a play day for ninth grade girls in the spring, and a bowling night for fathers and daughters. They also sponsored a booth in the All-School Project.

Synchronism, rhythm, and creativity were all a part of Sea Sprites club, sponsored by Mrs. Betty Fugit. The club of 40 members was established in 1961. Since then, it has participated in such events as Open House, All-School Project, and various water shows.

Girls Work In Bookstore, Aid Counselors, Librarians

Many students gave up their study hall period or a pass card to serve as proctors and to work in the bookstore.

Delivering guidance slips to students and running errands for the counselors were jobs of the counselor proctors.

Working in the library were proctors who checked students' admit slips, checked in and out library books and magazines, and were of general help to the librarians.

Ten volunteer students gave an hour of their day to work in the bookstore selling school supplies and other student necessities such as kleenex and cough drops. Mr. Marion Morozzo sponsors the bookstore that has been available since Southeast opened to serve the students with their school supply needs.

Cheerleaders Show Spirit

Pep club, known as the Buffalo Belles in 1957 when it was formed, was sponsored by Mrs. Shirlene Silvertooth and met every Thursday after school during game seasons. This year's activities of the club, participated in by 600 members, included a bus trip to Salina for a football game. Pep club dinners with other schools before games, and an annual awards banquet in the spring. Each year, in addition to cheering at athletic events, Pep club has cheered in pep assemblies, sponsored several boothes in the All-School Project, sponsored victory dances, and donated food at Thanksgiving and Christmas to needy families. The club's regular meetings consist of instructions and plans for games, learning new cheers, and pep talks from Connie Harmison, president.

Six varsity cheerleaders followed the teams to out-of-town games, cheered through all kinds of weather, and led the Pep Club in cheers at games. Cheering at the "B" and sophomore games were the six "B" team cheerleaders. All of the cheerleaders cheered at pep assemblies, Pep club meetings, and acted as ambassadors of Southeast when welcoming other schools to Southeast's home games.

SPORTS

Sports are reflected by the spirit, enthusiasm, hope, and fear seen in the eyes of the Southeast student whether at a football stadium or on the tennis court. To the onlooker as well as the players, sports not only mean another victory or trophy for Southeast, but also a sense of sportsmanship and loyalty to the school they are fighting for.

Competes In State Meet

Southeast's Golden Buffalo crosscountry team finished one of their finest seasons in the history of the school. Head coach Mr. Charles Hatter lettered seven boys who showed they had the will to work.

Several events highlighted the season and made the year a success, the most important of these being that in eight meets, the Buff harriers never finished lower than sixth place. Jeff Evans competed for the second time in the state meet and captured fourteenth place.

Coach Hatter says that he expects several of the boys who competed on the varsity and "B" teams to return next year for another winning season.

Co-captain Jeff Evans commented after the season's completion saying, "I felt that this was a highly successful season with all the boys giving all they had for the team".

Southeast's last game of the season against North proved to be an exciting one as Tom Shook, senior end, 60, blocks a North player while senior Jack Guggisberg, 28, darts around senior Randy Smith, 25, for a big yardage gain.

All-State "Dream" Teams

Southeast's Golden Buffalo football team, under the direction of Head Football Coach Mr. Marvin Vandeveer, ended the season in a tie for 3rd place with North High School in the city standings.

According to the State League standings, Southeast ranked 6th after the Salina game and 9th at the end of the season. Southeast played two State League games which resulted in a tie with the Salina Mustangs and a win over the Hutchinson Salthawks. Southeast finished their first season in 1958 with zero wins, six losses and three ties. In 1962 the Buffaloes won the City League Championship with seven wins, one loss and one tie.

This year's team posted four wins, two losses and one tie in the City League and five wins, two losses, and two ties in the state standings.

The Golden Buffaloes chalked up their most decisive victory over Bishop-Carroll with the score of 45-0.

Southeast's football games were played at Veteran's Field at Wichita State University, Lawrence Stadium, Heights High School, O'Shaughnessy Field at Kapuan High School, and in Salina.

Southeast was represented by two players on the All-City "Dream Team." Gary Matassarin, senior halfback, and Kim Ewonus, senior guard, were given this recognition. Both boys were also named to the All-State Football team.

Southeast's key quarterback senior Randy Smith, 25, runs for valuable yardage in the Southeast-East game.

Blocking out a North player to open a hole for Southeast's players is Mike Edmonds, senior, 41.

In the "B" team's last game against West, a Southeast defender blocks a West player as he forces his way through the defense line.

Plowing through West's defensive line for yardage is "Baby Buff," 43.

Team Gains Experience

Southeast's "B" team, consisting mostly of juniors, gave boys a chance to play competitive football, while conditioning for the varsity team.

The team compiled a three win, four loss record for the season under the coaching of Mr. Jim Deckinger. One of the "B" team's exciting games was with Wichita Heights High School. Even though the Buffs gave the opposition a good game, they could not quite outlast the defense of the Falcons, and the final score was 14-13, Heights.

The Sophomore team, the Baby Buffs, outdid themselves by finishing the season with a four win, two loss, and one tie record, to keep up with the school's fine tradition. Even though they are inexperienced players, they have shown much improvement since they first started practice at the first of the year.

Homecoming Queen Marcia Reigns From Junior Float

Reigning over the 7th annual football Homecoming game was Queen Marcia Jamison, escorted by half-back Jack Guggisberg. Marcia was crowned and presented with a dozen long-stem red roses and the traditional kiss by Jack during the half-time ceremonies of the Southeast-Bishop Carroll game played at Lawrence Stadium, October 28.

Marcia's attendants were Connie Harmison escorted by Mike Edmonds and Silla Olafsdottir escorted by Tom Kice.

The following Saturday night, the royalty was honored at the Homecoming dance, "Autumn Moon", in the cafeteria with music provided by the Apostles. After the recrowning and presentation of jewelry to the queen and her attendants from Student Council, the royal couple danced to "Shangrai-La". Marcia also received the game ball signed by the football team at their football banquet.

A total of 12 senior girls were nominated as Homecoming queen candidates, six from Pep club and six from Lettermen's club. The 1966 Homecoming ceremonies were unique in that classes competed in a float contest. The winning junior class float was recognized during the ceremonies and acted as a temporary throne for Queen Marcia.

Another first at Southeast was the Homecoming parade which consisted of the cheerleaders, marching band, Pep club, queen candidates, and the three class floats. The parade marched around the block of Southeast led by a police escort.

Awaiting the coronation are Queen Marcia and escort Jack Guggisberg.

Watching as Southeast defeats Bishop Carroll are Homecoming candidates Ann Jones, Susie Gould, Sally White, Mary Patterson, Linda Schwab, Nancy Beck, Cindy Spivey, Susie Robinson, and Terry Robertson.

Buffs Average 68 Points; Set New Scoring Record

Game action was fast and fierce for the Buffs as the Southeast basketball squad outran, outshot, and outplayed almost every team they met.

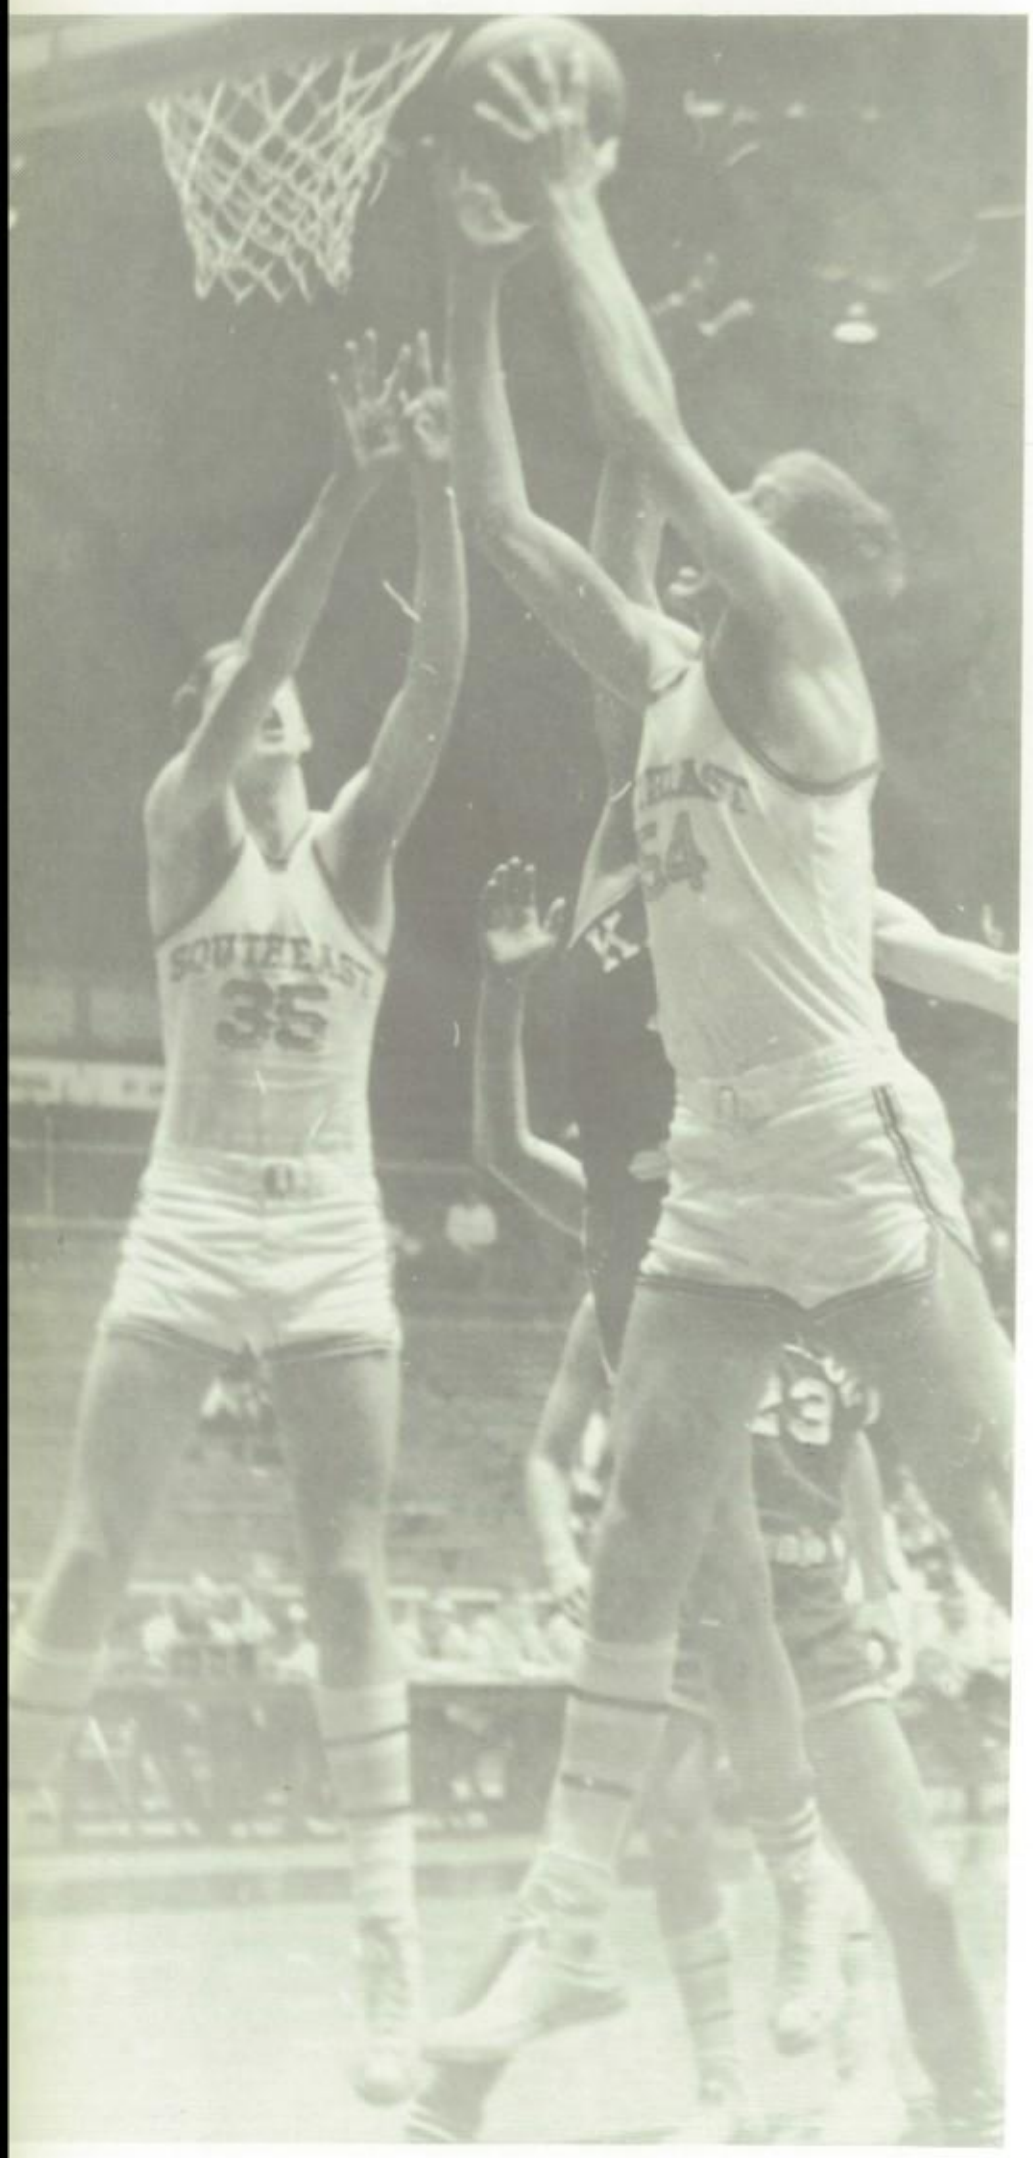
This year, the Buffs, top scorers of the city league, averaging 68 points a game, rallied to a 14-4 season and a 10-4 city league mark.

This year set a precedent for the Buffs for playing more juniors and sophomores than ever before. Thanks to the fine coaching efforts of Mr. Dave Leach, head basketball coach, and to a fine bench of reserves, Southeast was victorious in most of their encounters. Coach Leach, in his first year at Southeast and in his second year of coaching, provided fine leadership for the Southeast squad.

Southeast hosted a tournament in their own gym in which Leavenworth, Wellington, and Coffeyville participated. Southeast won their tournament defeating Coffeyville and Wellington in Friday and Saturday night games. The Buffs scored 97 points against Leavenworth's 69 to break the school record for most points scored in one game by a Southeast team.

Mr. Bill Cleary, the "B" team coach and assistant varsity coach, guided the "B" team to a 16-7 season record.

With a fine basketball record behind them, the Buffs hope for another great season next year. The basis for this hope is the fact that many sophomore and junior varsity lettermen will be returning. Not only sophomore and junior varsity players, but also some "B" team players were given the opportunity to see some varsity game action. This experience will greatly influence next year's basketball team.



Reaching high to pull down another rebound against Kapaun is sophomore Randy Canfield as junior Jim Easton strains to help.

Excited about the Buff's come from behind victory over East, happy Southeast fans "mob" the players.

Sophs Learn Techniques Prepare For Varsity Play

Although the Baby Buff's season record, 4-9 does not sound very impressive, a lot was accomplished during the year. The sophomores gained the game experience necessary to continue to play "B" and varsity ball. Because of this, their season could be called highly successful. Under the leadership of Mr. Everett Houser, the sophomore coach, the sophomores learned the different offenses and defenses employed by the varsity team. During his first year at Southeast, Coach Houser has done a commendable job of shaping and remodeling the sophomores to meet the standards of game action.

Providing the center for next year's varsity and "B" teams is the underlying reason for having a sophomore team. Several of the sophomores have shown promise and have made valuable additions to the basketball squad, while others are still learning. This year's Baby Buffs should produce some of the finest players to come out of Southeast. All they need is the grooming and experience that playing as a Baby Buff can and does provide.

Several impressive scores were turned in by these boys during their regular season play. The most impressive victory was the defeat of Carroll during their second meeting. The Baby Buffs turned in a 72-49 win. Although a lot must be done to make these boys varsity players, a lot has been done already.

Terry Robertson Crowned 1967 Sweetheart Queen

Terry Robertson was crowned as Southeast's 1967 Sweetheart Queen Feb. 17 during halftime ceremonies at the Southeast-North game at the Wichita State University Field House.

Attendants to the queen were seniors Diane Porter and Sally White, escorted by seniors Jerry Tatum and Mack Vanderlip respectively.

The remaining nine queen candidates formed a "V" formation on the court leading to the heart throne where the three finalists stood.

Terry's escort, senior Randy Youle, crowned her and presented her with a dozen long-stemmed red roses and the traditional kiss.

Jeff and Jill Simpson acted as crown bearer and flower girl.

Sweetheart royalty were honored at the Sweetheart dance Saturday night in the cafeteria. The queen was recrowned by senior Foster Smith, elected from the varsity basketball team. Bracelets were presented to Queen Terry and to her attendants. Music was provided by the Bushmen.

During half-time ceremonies of the Southeast-North game, Randy Youle crowns Terry Robertson as the 1967 Basketball Sweetheart.

The nine Sweetheart attendants, Susie Robinson, Terry McClain, Susan Goehring, Ann Jones, Jacque Thornton, Janet Fox, Jill Dye, Bev Gerhardt, and Pam Myrick, cheer for Southeast.

Gymnasts Win 3rd Place; Record Lists Four Wins

Southeast's gymnastic team captured the third place city title this year with the record of four wins and one loss. "Primarily through the efforts of Bob Fretzs, Rick Hall, and Ralph Bickford, the team set such a good record," said Mr. Marvin Vandaveer, gymnastics coach.

Ralph Bickford, senior, remained undefeated on the still rings throughout the entire season. Seniors Rick Hall on the parallel bars and Bob Fretzs on the side horse lost only two out of the seven meets.

The gymnasts have made a greater effort this year than ever before. Last year's record was no wins in dual meets and one win over all. This year the Buffaloes have lost only one meet out of seven. This loss was to South.

One reason for the team's success was the expansion of the present facilities to include a gymnastics room. This was built so the team could work out every evening.

Southeast wrestlers worked many hours after school practicing and perfecting holds, working on calisthenics, and analyzing errors and holds of past meets. The team consisted of 72 energetic boys. Although losing weight is not an easy way to compete in a sport, all of the members, whether they got in on the action or not, did their best to lose all that was required.

Even though the scores didn't show it, this year's wrestling team was one of the hardest working of the school. They had a total of twelve meets during the season, some of which came two days in a row.

Senior Jim Glasgow was the only squad member to qualify for State competition. Glasgow, who wrestled in the 120 lb. division, placed second in District and third in Regional.

Craig Isbell, junior, and Jim Glasgow, senior, were the only returning lettermen. Seven boys were awarded letters, although Coach "Monk" Edwards commented that "many more deserved the award."

Varsity And Pool Records

Victories were numerous for the Southeast Water Buffaloes as they raced to a 9-1 dual meet record during the '66-'67 season, losing only to East.

The team, coached by Charles Hatter, placed second in city and finished fourth in state.

Captain of the '66 team was Mack Vanderlip and co-captain was Tom Hincz.

Eleven records were broken this year by the Southeast swimmers, some of them more than once. Tom Hincz broke the standing varsity records in the 60, 100, 200, and 400 yard freestyles, and Mike Graves broke sophomore records in the 50 and 100 yard freestyles. The relay team of Peugh, Vanderlip, Graves, and Green broke both the varsity and the pool records for the 400 yard freestyle. McCabe, Alley, Vanderlip, and Hincz broke the varsity and pool records for the 400 yard medley, while Agee, Graham, Grisamore, and Graves broke the sophomore record.

This year's Varsity-Alumni swim meet, which has been an annual tradition at Southeast for seven years, was won by the varsity team 57-44. The varsity team consisted of this year's varsity swimmers. Any Southeast alumni who participated in swimming during his high school years was eligible for the alumni team.

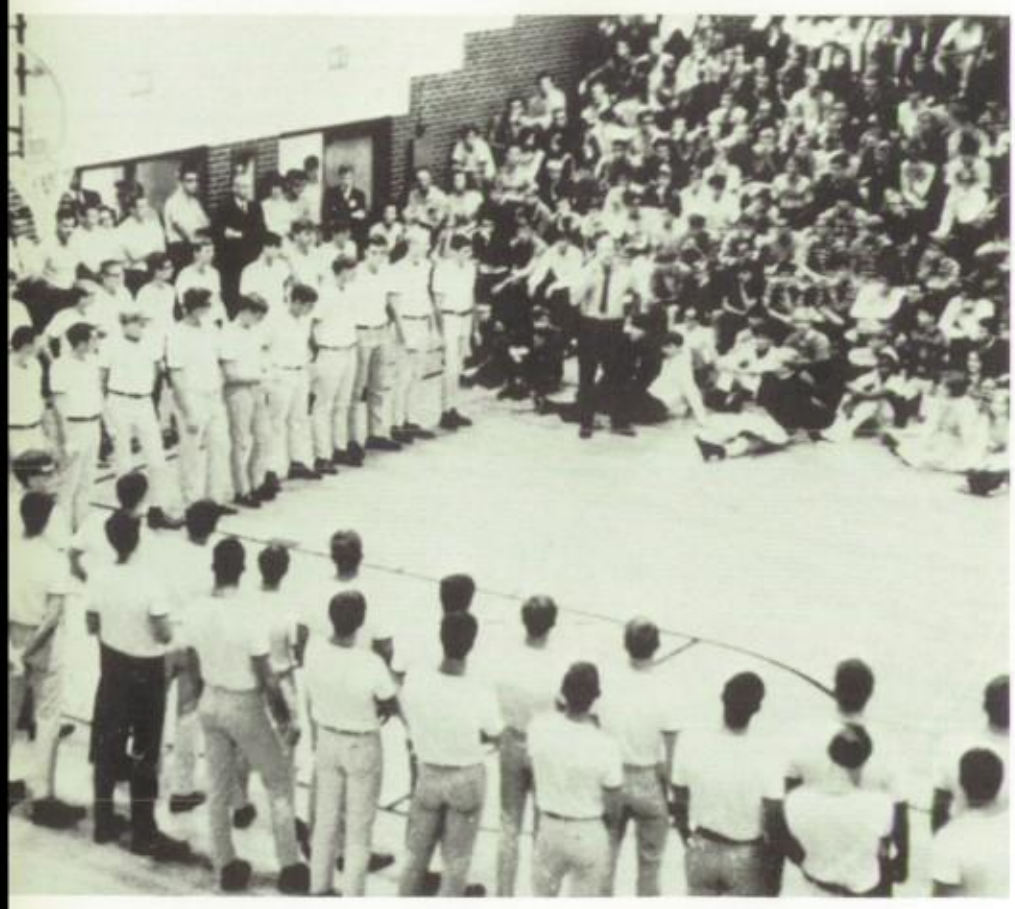
Coaches, Intramurals Help Southeast Students Improve

Introducing the football players to the student body at the year's first pep assembly is Coach Marvin Vandaveer.



Evenings after school, intramurals offered students the chance to exercise, improve skills, and have fun.

This year, inter-school meets added spirit and incentive to the girl's intramural sports program. Southeast girls competed against teams from Collegiate, Heights, South, and East.

By participating in archery, badminton, basketball, field hockey, gymnastics, softball, tennis, and volleyball, the girls earned points toward a letter.

Active boys let off steam by participating in basketball, tennis, volleyball, and the spring open sports program.

Working to develop the athletic ability of individuals and of teams, Southeast's coaches spent many long hours at their tasks.

The coaches not only taught the boys skills but also the principles of sportsmanship. Combining victories with character was a prime objective of the coaches.

Director of the athletic department was Don Lamb, a 17-year coaching veteran. Under Coach Lamb were Coach A. R. (Monk) Edwards, with 34 years of coaching experience, Coach Paul Andre, Coach Dave Leach, a former Wichita State University basketball star, and Coach Marvin Vandaveer, a 24 year veteran of coaching. Also serving as coaches were Mr. James Deckinger, Mr. Don Schmidt, and Mr. John Zumalt of the business department, and Mr. Charles Hatter, chemistry teacher.

Individual Athletic Skills And Build Strong Character

CLASSES

Classes of sophomores, juniors, and seniors span the differences of age, intellect, and pursued goals to make Southeast a united school, not merely an institute of classes.

The competitive spirit that exists between the three classes helps improve Southeast and make it a better school as a whole.

A Decade Of Students

Anticipate College Life

Members of the Senior class are a group of students with varied interests and goals. They are also a class of varied emotions, holding on to the memories of the past football games, pep assemblies, and club activities, while at the same time anticipating their future college life and the independence acquired after graduation.

Activities of the senior class began last summer with money raising drives to finance later activities. During the year, the class sponsored dances, OSOM week, a Christmas card exchange, a candy sell whose profits were contributed to the scholarship fund, and the Senior Prom.

Senior students held prominent offices such as Student Body President, editors of the HOOFBEATS and STAMPEDE, queen candidates, and, in most cases, clubs' presidents.

Without a doubt, the 709 members of the class of 1967, the tenth graduating class of Southeast, have left their impression on Southeast. They have renewed the foundation laid by the first graduating class of 1958 for another flourishing decade.

Senior Class Officers: **Left to Right:** Tom Shook, president; Terry Robertson, vice-president; Chrissie Linthicum, secretary; Charla Allen, treasurer; Sally White, sergeant-at-arms.

Searching for Kathy Brown's Christmas cards is Barb Hobbs, senior. Each year the senior class sponsors a Christmas card exchange for Southeast students.

Practicing for a senior boy's pep assembly are Tom Hincz, Tim Nye, Pat Galbraith, and Mark Peugh. This was one of the many pep assemblies given throughout the year to promote school spirit.

Junior Class Plans Prom,

Juniors, in a position of competition with the senior class and setting examples for the sophomore class, proudly reflect on their achievements over the past year. Officers began planning for their Junior-Senior Prom during the preceding summer and made it a success in the fall to the theme of "Moonlight and Roses".

Post-game dances, after school sales, bake sales, and candy sales were a few of the money raising projects which were sponsored by the class and directed by Mr. Bill Wyckoff, class sponsor.

Other events that were uniquely characteristic of the Junior class were ordering class rings, representing Southeast at Boys' State, sponsoring the cake walk at the All-School Project, which won the Most Profitable Booth award, National Merit tests, winning first place in the Homecoming Float contest, and ring turning, which officially marked another step up the educational ladder to their new status as seniors.

WE BAKE AND DECORATE CAKES
FOR ANY OCCASION.
HOT DOUGHNUTS Fresh EVERY MORNING.
HOT BREAD AT 11 AND 2 O'CLOCK.
Special Orders Welcome

Participating in the Junior Class Bake Sale, Paulette Hill and Sabra Suer sell cookies to Chris Sallee. The money earned from this project was added to the class treasury.

Junior Class Officers: **Left to Right:** Marvin Lee, president; Jim Dye, vice-president; Jeanne McGehee, secretary; Janet Hattan, treasurer; Brenda Allen, sergeant-at-arms.

Preparing paper roses for the Junior-Senior Prom are Jan Dye, Janet Hattan, and Kathi Bogue. Over 7500 flowers were made for this event.

Sophs Learn Traditions, Contribute Ideas, Become An

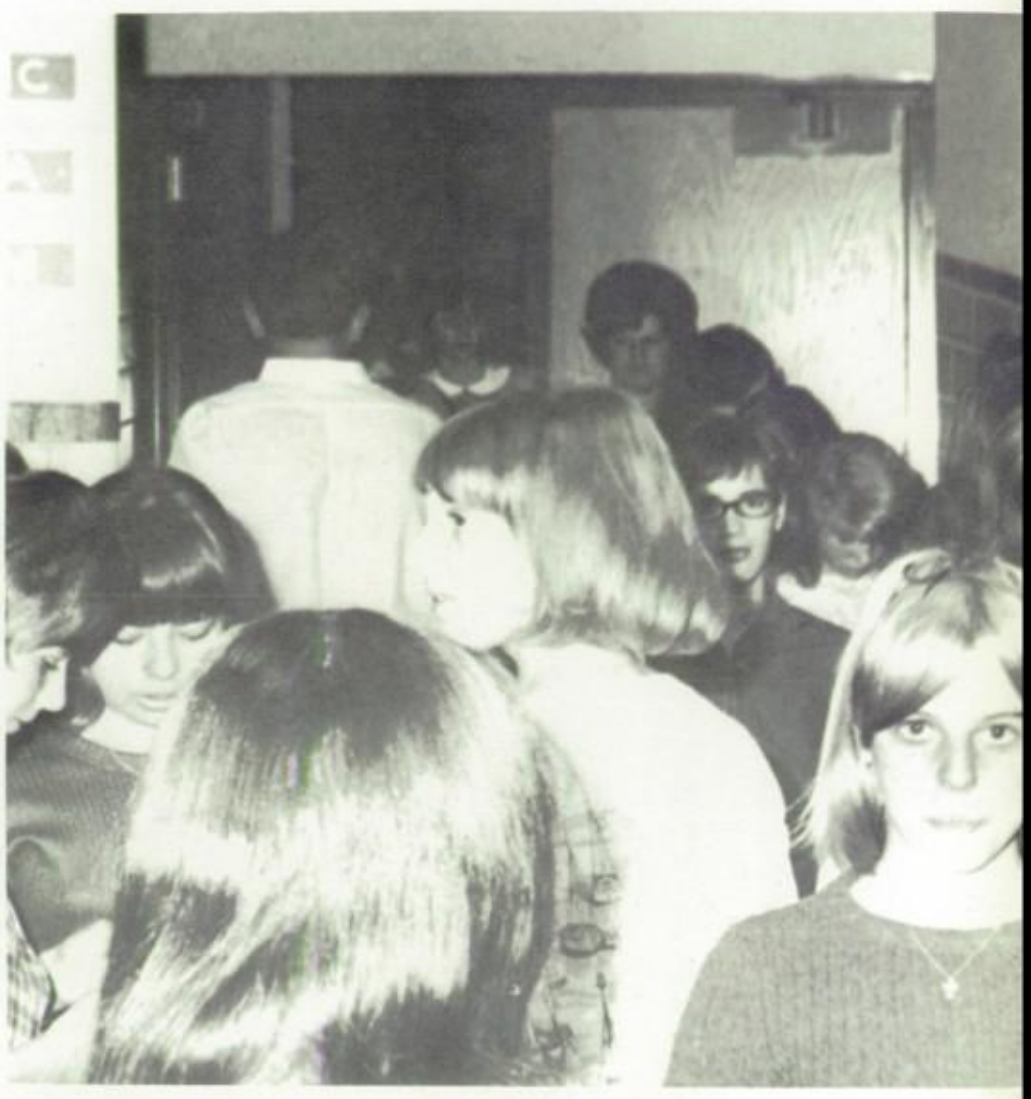
SOPHOMORE STUDENT COUNCIL REPRESENATIVES: **First Row:** Stephanie Stevens, Cindy Glasgow, Julie Geohring. **Top Row:** Tom Krebs, Susan Unruh, Judy Gould, Beckie Schantz, Carol Williams.

Active Part Of Southeast

Most schools' sophomores are described as bewildered, lost, and confused upon entering high school, but through the decade Southeast's incoming sophomore class has become more and more sophisticated and informed of Southeast's student life, rules, and traditions. From their first day at school, sophomores were willing and ready to enter into activities. Instead of accepting the stereotyped role of newcomer and bystander, the sophomore class offered their ideas and support toward making this year a success.

Sophomores sponsored money raising projects such as after school candy sales, dances, bake sales, and a raffle. They also took part in school-wide activities such as the All-School Project, the Homecoming Float contest, and Ugly Man on Campus contest.

Through their activities and participating in school functions, under the leadership of their sponsor Mrs. June Dirks, sophomores have earned their promotion and are eager to welcome a new class of sophomores.



After attending the Sophomore Orientation program, members of the class of '69 find that they are informed, but still look worried.

SOPHOMORE CLASS OFFICERS: Spencer Davies, president; Randy Canfield, vice-president; Patty Moore, secretary; Ross Griggs, sergeant-at-arms.

Paying school fees and buying activity tickets is just one of the many tasks of enrollment that faces incoming sophomores.

Bill,
I hope we both make it through in Theology. (well find out soon enough I guess.) It's been a lot of fun these last few weeks sitting by you. It's a shame I didn't get to know you more often so that we could have gotten together sooner. Like it easy Rifle and dig up some passes this summer.
Good Luck Always

Southeast we pause for you amid the
hurried year,
To sing your praise anew and bid all
others hear.

Our hearts are held in grand allegiance
to your every cause,
And may the future find us stronger
bound when next we pause.

And when at last we go, and final songs
have ceased,
A faint refrain will flow as memories
praise Southeast.

Our hearts are held in grand allegiance
to your every cause,
And may the future find us stronger
bound when next we pause.

Bill,

To a great guy that I wish I could know a little better. Outside of "great ole English & Economics classes." I'm I sure am happy that I get to walk to graduation with ya! Gald we both are new to good ole Southeast, huh? Only 5 DAYS! Out, out!! Then out for good - for a while that is. Good luck in college next yr. & advice - Don't drink too much of that "good ole college beer." It's not too great for home work papers! No Best of luck through life, Bill! I'm sure you'll make the best of it.

Good luck, '67"

Bill: had a lot of
we've had research
laughs behind the
back but I don't
she's pad some on
to. But it has been
worth it, just to get
out of this dump. I
hope you make it good
in college which I'm sure
you will with a head
on your shoulders like
Brownie's. Your a good
Kachunk Bill - (That's good)

To the Best
Looking Blonde ever!
Keep that Budweiser beer
Seriously I'll be thinking of you.
Lot of fun this year.
Good Luck in the R.O.T.C.
Adams

Bill,
Best of Luck
in the future and
keep putting the bullets
into that bullseye ©. You're a
great guy and friend. Best of
wishes always. Your friend.

Paul Kreutzer

Bill
We had a great
time in P.E.I.A.-
That a dud. It let you
can't wait to go home and brag.
Your tools - I wish you have
looks like the world.
Ken Evans

Bill
Well, Kid, your the tall
senior with the outstanding
grades in Geology. We had a
lot of fun especially on our
field trips with Mr. Kauffman
and you and your wager
stick.

It's been loads of fun
Good Luck in the future Ole Kid
Semper.
J. P. aka. Jim Loomis

Bill.
It's been a blast
knowing you this past
year! Love just about
the best friend a guy could
have. Lots of luck.

Dear Bill,

How wonderful it is that the school year is almost over. It's been really great having your as a classmate in Clinton's astronomy class and Ken's geology class. Now that you are a tuff senior you will probably be running off to college, if LBJ doesn't give you a free vacation in the mean time. Have fun this summer and send me some stamps from South Vietnam (They should make good collector's items). Hope to see you next year anyway.

Steve Angle

P.S. I can only write my name. "69"

Dear Bill

You and I have been through a lot of time. We've man an enjoyable conversation and I learned a lot. By the way don't worry about Ken's geology class, you passed Clint star charts and cheap globes. I hope you have a good time this and that you get your Marx, best of luck in the future, and if things come to worse you always remember my smiling face

Bill Spivey

Bill,
I knew you
for only a short
time but we had
a great time. Ought
to be a lot of laughs
and so was Evans and
over the School Spirit
petitions. Don't forget
our fabulous last year.
Best of luck with
everything you under-
take! Mike

Billld -
To a great snark.
Good luck next
year.

Bill,
It sure was a lot of fun this year
in Astronomy & Geology. Too bad
I only knew you for one year,
but you're still a a real nice,
sweet(?) guy. Good luck in the
hard cruel world out of high
school and have fun in the
future
Best wishes

P.S.
Thank you for
the announcement

Bill,
Good luck in the future.
Have fun in school.
Have fun in life.
Have fun in love.
Have fun in everything.
Sincerely,
Phillip Lee Phillips "67"

Bill, I have enjoyed the opportunity
to work with you in Plastics. I think you
are a very good student & hope you will
continue be so in the future.
S. McArthur

Bill,
You're a real groovy guy & its been an awful lot of fun.
You're a really cute & neet guy. Thanks a lot for the
ride out to Sacred Heart. I
came out alive & with Johnnie
Brett that's hard! You're
a wonderful person & I've
had a lot of fun knowing
you. Best of luck in the
future & good luck always.
God Bless ya.
Love,
